

Quality Palliative Care in Long Term Care

A Community-University Research Alliance

Acknowledgement

This document was created through research conducted by the Quality Palliative Care in Long Term Care (QPC-LTC) Alliance that includes four long term care homes, 30 researchers & knowledge brokers and 50 community organizational partners. We would like to thank the managers and staff at Bethammi Nursing Home and Hogarth Riverview Manor for their enthusiasm and commitment to creating this palliative care program implementation tool.

We would also like to acknowledge our funders. The Social Sciences and Humanities Research Council (SSHRC) provided funding for the QPC-LTC Alliance research and the Canadian Institutes of Health Research (CIHR) funded the Knowledge Translation for this project.

Please copy and share this document. We would appreciate you referencing the source of this work as:

Palliative Care Bulletin Boards

Purpose:

A Palliative Care Bulletin Board supports communication by:

- Communicating to the Palliative Care Team members and other LTC staff and volunteers about education opportunities, new Initiatives, tree showcasing, and meeting dates
- Encourages staff participation by inviting people from all departments to come together to support ideas to better the quality of life and death of our residents
- Providing contact information for team members in order for other staff to provide feedback, requests and suggestions

Process:
